

## **2024 Candidate Survey**

### **Hansberger, David (RD 25)**

1. ***Abortion is the act of violently ending the life of another human being, while in the womb. Lawmakers should work to promote the value of and protect human life from conception (SB 317, 2024; ) to natural death, versus further expansions of abortion access (HB 110, 2024; SB 301, 2024; SB 232, 2024; HB 400, 2022, HB 31, 2023).***
  - a. Support; My personal religious beliefs support that God knows us in the womb (Jeremiah 1:5). However, we are a nation of laws, not a particular religion, and the law begins protection with "life". I support protection at viability. I oppose using public funds for abortion.
2. ***The Delaware Constitution should be amended to protect the right of parents in the custody, control, and care of their children from government interference, which requires the government to prove that it has a strong, compelling reason to restrict that right, such as in cases of abuse and neglect. (HB 319, 2022)***
  - a. Support; I cannot believe it has come to this, but the efforts of the extreme left to allow schools to facilitate gender change or drive children to abortion clinics without parental knowledge and consent has made the codification of parental rights a necessity.
3. ***Public schools should not seek to enforce DEI (Diversity, Equity, and Inclusion) mandates, which promote discrimination by dividing individuals into classes of “oppressed” and “oppressor”, and define inclusion as requiring integrated comprehensive sex education curricula that includes LGBTQIA+ role play, sexual practices, and identities (HB 199, 2021, SB 197, 2024).***
  - a. Support; We are failing to educate our public school students in the basic academics. There should be zero time spent on DEI or other divisive materials.
4. ***Delaware law should protect minors from the harms of pornographic material by requiring websites available in Delaware to perform age verification procedures that are standardized from usage in other industries. (HB 265, 2024).***
  - a. Support.
5. ***Delaware law should protect Title IX fairness and the integrity of women’s sports. (SB 191, 2024)***
  - a. Support.
6. ***Individuals and faith-based entities should have the right of conscience to freely live out their sincerely held convictions regarding human sexuality and conception, without fear of government infringement or retaliation. (HB 199, 2021; HB 275, 2024; HB 74, 2023)***
  - a. Support.
7. ***Medical personnel should not be protected from liability for practicing experimental medical drugs and procedures - which often produce irreversible damage - on vulnerable minors in Delaware. (HB 346, 2024).***

- a. Support; While I believe that medical personnel should have more liability protection for approved practices, HB 346 does not make an exception for minors. It is unconscionable to offer up Delaware as a destination for experimental or illegal treatments on children.
- 8. *Assisted Suicide, the act of prescribing “death pills” so that individuals given a terminal diagnosis to end their life, should not be legalized in Delaware as an ‘end of life’ option. (HB 140, 2024)*
  - a. Support.
- 9. *A State of Emergency declaration extended beyond 30 days should depend on the consent of the people of Delaware through the General Assembly. (HB 49, 2021; HB 247, 2021)*
  - a. Support.
- 10. *The right of Delawareans to keep and bear arms, as protected by the US and DE Constitutions, should not be infringed. Better enforcement of current laws to prevent crime versus more regulations is needed to protect public safety. (HB 450, 2022; SB 8, 2021)*
  - a. Support.
- 11. *To preserve the integrity of Delaware elections, the legislature should strive to eliminate opportunities for fraud in the election process. (HB 344, 2024)*
  - a. Support; Paper ballots with ID-verified, in-person voting should be required. Very limited and one-time absentee voting exceptions should be carefully controlled and verified.
