ORGANIZATION

ORGANIZATION'S VIEW

MDA stands to "pass stronger gun laws," creating further government infringement upon the 2nd Amendment right to keep and bear arms.

- Stood against Sen. Bryant Richardson's complaint to the federal government regarding the funding of schools that were not respecting or protecting girls in girls spaces.
- Promotes a booklist that introduces gender identity in education as young as elementary school.

- Defines gender identity separately from biology, but rather as "A person's deeply-held inner feelings of whether they are female, male, both, or neither. Their gender identity isn't seen by others."
