1 1. Do you support legislation that protects preborn human life from abortion, including prohibiting taxpayer funding, and rejecting abortion as a right in the Delaware State Constitution? (References: SB 317 (2024); HB 110 (2024); SB 301 (2024); SB 232 (2024); HB 31 (2023); HB 400 (2022); SB 251 (2026); SB 252 (2026))

RESPONSE No

I support a woman's right to choose and make decisions about her health

2 2. Do you support legislation that holds the abortion industry accountable and liable for medical malpractice, negligence in providing informed consent, and removing the safeguards meant to protect women? (References: SB 252 (2026); HB 31 (2021); HB 400 (2022), HB 320 (2022); SB 301 (2024))

RESPONSE No

Medical providers are already legally accountable for medical care

3 3. Do you oppose legalized assisted suicide and attempts to expand it? (References: HB 140 (2024))

RESPONSE No

4 4. Do you support amending the Delaware Constitution to explicitly protect the fundamental right of parents to direct the upbringing, education, and care of their children? (References: HB 319 (2022))

RESPONSE Undecided

Children also have rights, which is not addressed in this draft legislation (or the question)

5 5. Do you support holding medical providers legally accountable and liable for performing experimental, permanent, or irreversible medical interventions on minors that interrupt and pause puberty, introduce cross sex hormones, and amputate body parts? (References: HB 346 (2024); SB 55 (2025))

RESPONSE No

Medical providers are already legally accountable for medical care

6 6. Do you support legislation that protects the fundamental rights of children to know and be known by their biological mother and father, prohibits changing a child's sex on their birth certificate, and protects family biological connection between parents and children? (References: SB 250 (2026); HB 375 (2026))

RESPONSE Undecided

SB 250 has already been signed, HB 375 has not been finalized

7 7. Do you oppose policies that embed sexually explicit material and comprehensive sexuality frameworks into school libraries and public school curricula, particularly when they conflict with obscenity laws, parental rights, or religious beliefs? (References: HB 199 (2021); SB 97 (2024); HB 119 (2025); SCR 156 (2026))

RESPONSE Undecided

Policies that conflict with obscenity laws are illegal.
School curricula should include age appropriate health information.
Individual parents have the right for their children to not participate in lessons that conflict with their religious beliefs

8 8. Do you support legislation that preserves sex-based protections in athletics to ensure fairness, safety, and equal opportunity for female athletes? (References: SB 191 (2024); SB 215 (2026))

RESPONSE Undecided

This issue is evolving and needs more discussion and alternatives

9 9. Do you support protecting individuals, churches, schools, and faith-based ministries from government penalties when operating according to sincerely held religious beliefs regarding sexuality, marriage, and human life? (References: HB 199 (2021); HB 74 (2023); HB 275 (2024); SB 169 (2021); SB 100 (2025); HB 37 (2025))

RESPONSE Undecided

Religious beliefs are the right of individuals and in private spaces. Private religious schools would be included, not public schools. As stated earlier, parents have the right for their children to not participate in school activities that conflict with their religious beliefs

This question, like several of the others, is complex. I agree with some and not all -- so undecided

10 10. Do you support ensuring Delaware law clearly protects free speech, religious expression, and public advocacy - while limiting criminal penalties only to physical violence, threats, or force? (References: HB 272 (2025); SB 300 (2024))

RESPONSE Undecided

In HB 272 it appears that the criminal penalties do not change but are covered under other laws

ADDITIONAL INFORMATION FROM THE CANDIDATE

I have recently retired after 40+ years working in state government. The best approach is to ensure that everyone's beliefs are honored while not impinging on others' beliefs. Government systems and services should be updated and designed to more flexibly, efficiently, and effectively serve everyone.
